**Baseball Queensland would like to welcome all players, coaching staff, officials and supporters to Redcliffe for the 2018 Under 16's State Titles.**

We have headed back to the Moreton Bay Region for another State Titles. Thanks to the Queensland Government and Moreton Bay Regional Council, 150 players, coaches and officials will converge on the Harris Avenue Fields for four action packed days.

This tournament is an opportunity for the State's 14 and 15 year olds to compete at the next level and it also doubles as part of the selection process for the Queensland Under 16 team who will play at the Nationals in Sydney in January next year. We must acknowledge Mark Boys and Redcliffe Padres Baseball Club in getting the facility ready for the tournament and for the many hours they will put in over the coming days.

Many thanks also to the umpires, scorers and coaches for their valued contribution to this event. Umpiring and scoring can be quite challenging, I'm sure you will all join me in extending our gratitude to these valuable volunteers. We wish all the teams the best of luck over the coming days.

***Paul Gonzalez***

***CEO - Baseball Queensland***

**Welcome from Redcliffe Padres Baseball Club.**

On behalf of the Redcliffe Padres Baseball Committee I would like to welcome players, coaches, family and friends to our home at Tallobilla Park for what we believe will be 4 days of high quality and high energy baseball.

We would like to thank Redcliffe Leagues Club and Moreton Bay Regional Council for their continued support of our club.

With up to seven games per days through the four days of the tournament I would like to again thank the army of volunteers that will be at the grounds helping with ground maintenance between games and providing meals to all of the teams and spectators.

I hope you enjoy your time at the carnival and that all players have a positive experience from their time here.

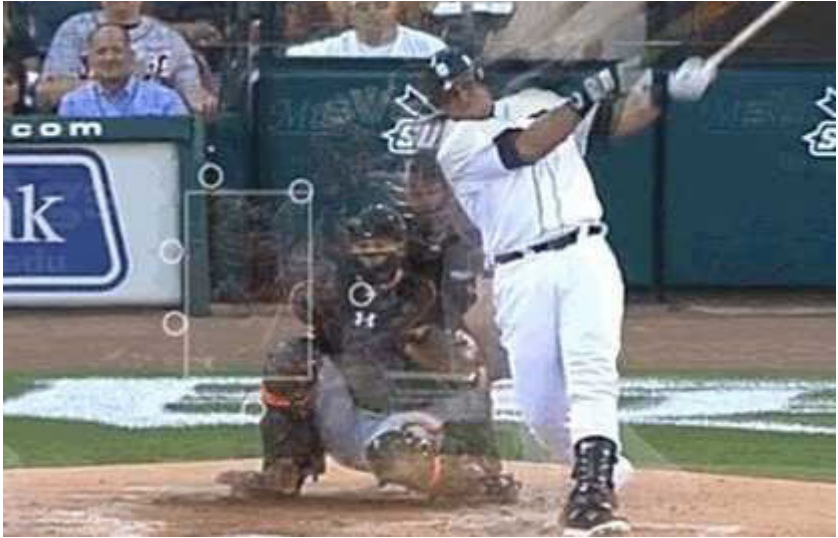

Yours in Baseball

***Mark Boys***

***President Redcliffe Padres***

## IMPORTANT INFORMATION

Baseball across Australia recently adopted a range of rules and practices to speed up the game. The concept behind this policy is to potentially provide participants with more participation opportunities that will result in more At Bats and more innings being played in the same time frame. A key part of this process identifies a need to encourage all Umpires to expand the strike zone. It is in this regard that we ask that you consider the Umpire's role in effecting this change and we ask that you support our officials in their efforts to improve the game.

Six pitch locations, all out of the strike zone. Six consecutive home runs for Miguel Cabrera. Sure he's exceptional. At this time the zone within which he could consistently drive the ball, was bigger than the strike zone.

Encourage hitters to be aggressive so they can explore their potential to develop into a better hitter in the long run.

## IMPORTANT INFORMATION

Encouraging hitters to be aggressive on any pitch they think they can hit hard can give the hitter a foundation to refine themselves into a better hitter later in life. They either get better at driving balls pitched in a wider variety of locations or at the very least they figure out their strengths and weaknesses through trial and error. If the hitters are aggressive at the plate, they put the ball in play earlier in their at bat and more often. This makes the game move along and makes for a better spectacle for all. In addition, the defense get more opportunities to attempt to make plays.
