Welcome

Baseball Queensland would like to welcome all players, coaching staff, officials and supporters to Hendra for the 2018 Women's State Titles

This December, 143 of Queensland's finest baseball players will be taking part in the 2018 Women's and Youth Women's Championships. Over the course of four days at Bannister Park, Hendra, teams will go head-to-head and battle it out to see who will reign supreme.

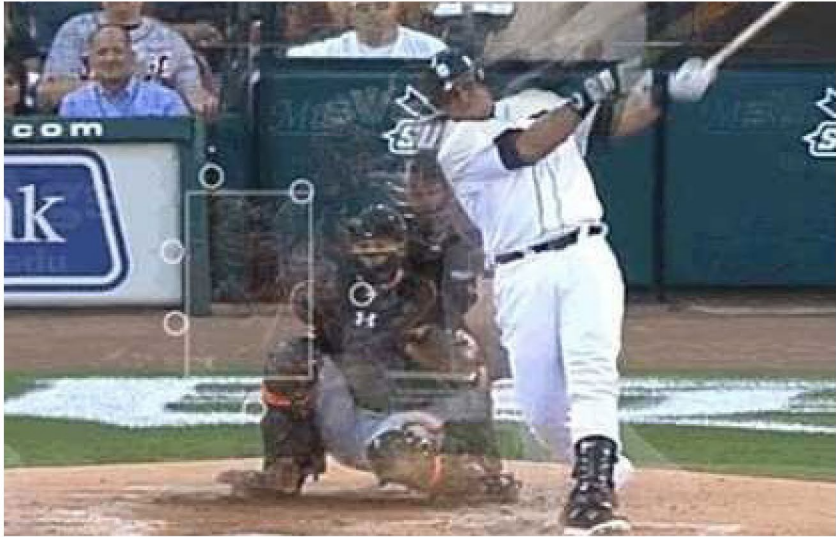

The event kicks off with Women's State Titles, taking place on the weekend of the 15th and 16th of December. This will be followed by the Youth Women's and Little League State Titles, beginning on Monday the 17th of December, and concluding on Tuesday the 18th. There will be a lot up for grabs over the course of the four days, as not only will the winners take home a state title, these titles will play a part in the selection process for the National Titles that will be held April 2019 in Canberra.

Many thanks also to the umpires, scorers and coaches for their valued contribution to this event. Umpiring and scoring can be quite challenging, I'm sure you will all join me in extending our gratitude to these valuable volunteers. We wish all the teams the best of luck over the coming days.

Paul Gonzalez
CEO
Baseball Queensland

IMPORTANT INFORMATION

Baseball across Australia recently adopted a range of rules and practices to speed up the game. The concept behind this policy is to potentially provide participants with more participation opportunities that will result in more At Bats and more innings being played in the same time frame. A key part of this process identifies a need to encourage all Umpires to expand the strike zone. It is in this regard that we ask that you consider the Umpire's role in effecting this change and we ask that you support our officials in their efforts to improve the game.

Six pitch locations, all out of the strike zone. Six consecutive home runs for Miguel Cabrera. Sure he's exceptional. At this time the zone within which he could consistently drive the ball, was bigger than the strike zone.

Encourage hitters to be aggressive so they can explore their potential to develop into a better hitter in the long run.

IMPORTANT INFORMATION

Encouraging hitters to be aggressive on any pitch they think they can hit hard can give the hitter a foundation to refine themselves into a better hitter later in life. They either get better at driving balls pitched in a wider variety of locations or at the very least they figure out their strengths and weaknesses through trial and error. If the hitters are aggressive at the plate, they put the ball in play earlier in their at bat and more often. This makes the game move along and makes for a better spectacle for all. In addition, the defense get more opportunities to attempt to make plays.
