2019-20 BA & BQ CAPITATIONS

No “Top Up” to Full Membership Available.

Please urge all participants to consider their plans for participation as there are no options to pay a “Top Up” fee from a short membership, tournament membership or any other form, to a full membership. If they think they may play in more than one event encourage them to consider the value of a full membership. E.g. If a player buys a Tournament or Short Season membership to play in a tournament or short season then decides they want to be eligible for selection to a Queensland Representative team, that player will need to pay the full fee for a full membership even though they have already paid to play in a specific event. This person (an Adult for the purposes of this example) will pay \$25 for their tournament fee, then when they decide they want to play for Queensland they will need to buy a full membership at \$186. They could have saved themselves \$25 by buying the full season membership up front. No Top Up fee will be applied. So please encourage participants to consider this when purchasing their membership. Baseball Queensland would like to wish all clubs in the 2019/20 the best of luck.

Should you have any questions relation to the capitation, please feel free to contact me at your convenience.

Note:

- Sports Club HQ transaction fee is 3.2% on all transactions
- BQ Competition administration cost levy: \$10 U20's up to Adult & \$6 for Youth Little League Majors up to Senior League.

Kind Regards,
