

To The CEO, Board Members, Delegates of Baseball Queensland Inc and our Members

I would like to take this opportunity to re-nominate for the role as a Director on the Board of Baseball Queensland.

Over the past 3 years being a Director on the Baseball Queensland Board, we have had our challenges but we are continuously working towards Growing our Game for our members.

I believe I have fulfilled my fiduciary duties to be able to ask questions and have the courage to persist in asking or to challenge management and fellow board members where necessary, to act honestly, in good faith and to the best of my ability in the interest of Baseball Queensland. I have always worked within my BQ Director's duties and responsibilities for the betterment of Baseball Queensland, to be open and transparent and have given countless hours of volunteer time to this organization over many years.

To the Members that don't know me I have grown up playing and coaching baseball at all levels over the past 50 years in Queensland. I have owned and operated my own business for the past 20 years and prior to this worked as a Project Manager in Infrastructure and Facilities, dealing with Risk Management, Marketing, Communication and Human Resources and achieving change.

I bring with me my passion for baseball and previous experience from a grass roots level in running successful and financial baseball clubs. This has involved fundraising, sponsorship, President/s at Club and Regional level, Regional Representative for Baseball Queensland, Member on the GBL panel, Instigation of and Chairman of the Participation Committee, participate in the Introduction of Women's and Youth Women's State Titles and being involved in the instigation of the Senior League Select Program 2020. Playing and Coaching at Club, Regional, State and National levels. I continue to play baseball and Coach the Baseball Queensland Youth Women's and Girls' team and are actively involved in the Junior Development Program run by Shayne Watson at Baseball Queensland.

I was very humbled when I was nominated and then to make it to the final 3 as the Australian Baseball Volunteer of The Year Award in March 2015 and to be awarded the Baseball Queensland Volunteer of The Year Award later that year.

I undertake my position on the Board of Queensland with the highest of integrity and remain very passionate about baseball and love a discussion or two about how and why we can move forward To Grow the Game of Baseball in Queensland and hope to make a difference in Growing our Sport for all of our valued members.

I would like to see as many people as possible play this great sport of ours and it all starts with you at Clubland with introducing and developing our players with Baseball Queensland always there to help to grow our sport and listen to our Members.

Thankyou for your support and time in reading my nomination.

Yours in Baseball

Geoff Wade
