* **The Women's GBL short and full season memberships**

This membership type registers you to play in the GBL Women's Competition ONLY and expires at the conclusion of the GBL Women's Competition. If you want access to multiple programs and events like the GBL Women's Competition, Women's State Titles, Women's State Team etc, we recommend you purchase the Adult Seniors Membership (\$198.14) as this will register you to play in any competition through 31 August 2021 – (Does not include club fees, tournament entry fees, uniform fees etc).

Indicates a Full Season Membership and renders the member eligible to play in any competition within the membership year 1 Sept 2021 – 31 Aug 2022 (pending payment of any club/region/competition fees payable).

Please Note: Capitation Fees listed do NOT include Club/Region fees, uniform fees or tournament entry fees. Please enquire with your Club, Region or team to ascertain their fees and charges applicable in addition to these capitation fees.

Baseball 5 Membership

This membership type registers participants to play in BQ approved [Baseball 5](#) Competitions.

All Memberships - Insurance

- All membership categories are covered by the [BA National Insurance Policy](#), included within the capitation price outlined above. Memberships featuring # are covered for the duration of the membership season. Other memberships are covered for the duration of the specific event or competition – typically no more than six to ten weeks.

Little League

- The price of the Little League membership category is inclusive of the Little League International Levy.
- All members of a charter (including minors) must be registered for a charter to be eligible for progression through the Little League competition framework.

Membership Refund Policy

Please access our [Membership Refund Policy here>>>](#)

Short Season programs

- Eligibility for Clubs, Regions or Competition Management Committees to access this membership category is by formal submission to the State/Territory association and is assessed in partnership with BA.
- The length of the program should not exceed six (6) weeks excluding finals.
- The program must address the following criteria
 - Targeting a cohort not previously addressed within a catchment area
 - Pilot of a new program
 - Participants have not previously been members
 - Remote/disadvantaged area
 - Programs are applicable for one season only and cannot be applied to existing programs or competitions

Tournament Membership

- A membership category covering events where participants may only play one weekend/event per purchase. Examples include the following events:
 - Masters & Regional tournaments
 - University Games

Masters Concession

Masters born before the year 1972 are exempt from paying additional fees to compete in the Senior competition.

Female Masters players are exempt from paying additional fees to compete in the GBL Women's Competition.

No "Top Up" to Full Membership Available.

Please urge all participants to consider their plans for participation as there are no options to pay a "Top Up" fee from a short membership, tournament membership or any other form, to a full membership. If they think they may play in more than one event encourage the participant to consider the value of a full membership. E.g. If a player buys a Tournament or Short Season membership to play in a tournament or short season then decides they want to be eligible for selection to a Queensland Representative team, that player will need to pay the full fee for a full membership even though they have already paid to play in a specific event. This person (an Adult for the purposes of this example) will pay \$16.51 for their tournament fee, then when they decide they want to play for Queensland they will need to buy a full membership at \$198.14. They could have saved themselves \$16.51 by buying the full season membership up front. No Top Up fee will be applied. So please encourage participants to consider this when purchasing their membership.

Note:

Sports Club HQ transaction fee is 3.2% on all transactions

BQ Competition Administration levy: \$10 for Adults & \$6 for Youth, Little League Majors up to Senior League.

Merchant fee charged at \$0.75 per transaction by Sports Club HQ at point of checkout.
