5.4 RUN LIMITATION

5.4.1 In Divisions 4 and lower, the maximum number of runs that can be scored is six (6) per inning for the first three (3) innings.

SENIOR COMPETITION

5.5 REGULATION GAME

- 5.5.1 In the event of inclement weather or a Curfew Time affecting game duration, the following shall constitute a Regulation Game:

Division	Game duration

Note: Where the Home Team is ahead in the bottom of the inning, the inning need not be completed.

5.7 PLAYERS

- 5.7.1 All teams shall field nine (9) players, subject to Rule 5.7.2.
- 5.7.2 A player shall be listed on the game card when that player enters the game (including as a designated hitter or extra hitter, but not as a courtesy runner). Players listed on the game card shall have that game count as a game played for Finals Series and other eligibility purposes.
- 5.7.3 In all Divisions except Division 1, games may commence and continue with a minimum of eight (8) players, however the vacant batting position shall be considered an automatic out. Where a game commences with eight (8) players, the ninth batting position shall be vacant, but may be filled at any time by a ninth player. Where a player leaves a game (for injury, ejection or otherwise) and is not replaced, their position in the batting order shall be vacant.
- 5.7.4 If any team has less than the minimum required number of players at any time, then the game shall be called a forfeit.

- 5.7.11 Clubs may apply in writing to the GBL Chair for an exemption from Rule **5.7.10** outlining the extenuating circumstances. Any such exemption must be approved in writing by the GBL Committee prior to the player taking the field to play in the other team.

5.8 DESIGNATED HITTER / 10 BATTER RULE

- 5.8.1 Teams in the Senior Competition may use a designated hitter.
- 5.8.2 Players who participate only as a designated hitter in a game of a particular Division on any given day:
- (a) may participate as a fielder in a lower ranked Division on the same day; but
 - (b) may not participate as a starting fielder in a higher ranked Division on the same day.
- 5.8.3 Divisions 3 and lower may use a ten (10) player batting order if they have ten (10) or more players available at the discretion of each team's coach. If a coach elects to use a ten (10) player batting order at the beginning of the game, it may only be reduced where a player is ejected, injured or needs to leave the game site before the end of the game and there are no other players available to replace them. When a ten (10) batter batting order is so reduced, the unused batting slot will be treated as if it no longer exists from the time of the batter's exit from the game.
- 5.8.4 The position of tenth batter in the scorebook will be designated as "EH" (**Extra Hitter**) and may appear in any batting position. An Extra Hitter may be interchanged with a defensive position but, once interchanged, that player cannot return to the Extra Hitter position in the same game.

5.9 COURTESY RUNNER

- 5.9.1 All teams may use a courtesy runner for the catcher at any time subject to the following:
- (a) for Divisions 1 and 2, the courtesy runner shall be any eligible player; and

- 5.10.2 Umpires under the age of eighteen (18) may only umpire Senior Competition games with the prior written approval of the GBL Committee and, where they are the home plate umpire, must wear at least a mask (with dangling throat protector), chest protector, leggings and protective cup.

SENIOR COMPETITION

5.11 DEFENSIVE VISITS

- 5.11.1 A coach may make one visit to the same pitcher in any one (1) inning. A second trip to the same pitcher in the same inning will cause this pitcher's automatic removal from the position of pitcher for the remainder of the game, but the player may otherwise remain in the game.

5.12 ELIGIBILITY FOR FINALS

- 5.12.1 Subject to the remainder of this Section, players are eligible for participation in a particular team for Finals Series where they have participated in at least 33% of Regular Season games:

- (a) played by that team; or
- (b) played by a team at the same Club, but in a lower ranked Division.

- 5.12.2 Where a player cannot participate in a Regular Season game due to participation as a player in the ABL, AWBL or an international baseball tournament, the Club may apply in writing to the GBL Chair with relevant evidence (e.g. team roster) to have that game discounted from the number of Regular Season games played by that player's team for the purpose of calculating eligibility under Rule 5.12.1. This application must be submitted at least 14 days before the Finals Series commence.

***Example:** A player participates in 9 Division 1 games during the season. They are unable to participate in 12 other Division 1 games due to participation in the ABL. The Division 1 team plays 36 games. The player's eligibility is calculated as follows: $9 / (36-12) = 0.375$ (37.5%). The player is therefore eligible for Division 1 finals.*

- 5.12.3 The lowest Division that a player can participate in a Finals Series is the Division in which the player has played the majority of their Regular Season games a percentage of games played by that team. Where a player has played an equal percentage, they qualify for the higher of the two Divisions.

***Example:** A player who plays 20 games in Division 1 when the team has played 40 games has a participation percentage of 50%. The same player who plays 15 games in Division 2 when the team has played 20 games has a participation percentage of 75%. Therefore this player would be eligible for Division 2 and Division 1 because, in this case, the majority of games as a percentage have been played in Division 2.*

- 5.12.4 Where two (2) or more teams compete in the same Division of the Senior Competition from the same Club:

- (a) players who have participated in both teams shall only be eligible for Finals Series for:
 - (i) the team in which they have played the majority of their Regular Season games; or
 - (ii) the team in which they first participated at the beginning of the Summer Season, if the player's Regular Season participation is the same for both teams; and
- (b) Clubs may apply in writing to the GBL Chair for an exemption from Rule 5.12.1 if an exemption under Rule 5.7.11 has already been granted (any such exemption must be obtained prior to the player taking the field to play in a Finals Series game).

- 5.12.5 Washouts (before the game commences) shall not count as games played in determining a player's eligibility for finals.

***Note:** For forfeits, see Rules 3.7.5 and 3.7.6.*

- 7.2.2 Players participating in a Combined Club Entry:
- (a) may only play for the team the subject of the Combined Club Entry or other teams nominated by the Club with which they have registered (provided they are otherwise eligible to play in those teams); and
 - (b) if not registered with the Parent Club, must be registered as a "duel member" of their Club and the Parent Club on the player registration database.
- 7.2.3 Players and coaching staff participating in a Combined Club Entry may wear the uniform of the Club with which they are registered throughout the season.

7.4 RUN LIMITATION

- 7.4.1 In all Division 2 games, the maximum number of runs that can be scored is four (4) per inning.

RECOMMENDATION

It is permitted (and recommended), particularly in Division 1 games where no run limitations exist, for coaches to voluntarily declare an end to an offensive inning at any time if they consider that inning to be materially one-sided by advising the umpire (once the ball is dead).

7.5 REGULATION GAME

JUNIOR COMPETITION

7.7 PLAYERS

- 7.7.1 A player shall be listed on the game card when that player enters the game (including as part of the continuous batting order or as a designated hitter, where applicable). Players listed on the game card shall have that game count as a game played for Finals Series and other eligibility purposes.
- 7.7.2 Games may commence and continue with a minimum of eight (8) players, however the vacant batting position shall be considered an automatic out. Where a game commences with eight (8) players, the ninth batting position shall be vacant but may be filled at any time by a ninth player. Where a player leaves a game (for injury, ejection or otherwise) and is not replaced, their position in the batting order shall be vacant.
- 7.7.3 If any team has less than eight (8) players at any time, then the game shall be called a forfeit.
- 7.7.4 If a player leaving the game due to illness or injury reduces the team to less than nine (9) players, another player previously replaced may re-enter the game. This can occur only if no new player is available. The re-entered player cannot pitch.
- 7.7.5 Players aged eighteen (18), nineteen (19) or twenty (20) years that pitch more than twenty (20) innings in Senior Competition – Division 1 cannot pitch in the Junior Competition.
- 7.7.6 Teams may use players from the age-group immediately below (with a "Casual Playing Up Consent", see Appendix A) during the Regular Season (**Substitute Players**).
- 7.7.7 Where two (2) or more teams compete in the same Division within a Club, a player may only play for one team in a weekend (in that age group).
- 7.7.8 Players may freely interchange between Divisions throughout the season in the same age group, except that:
- (a) once a player has played five (5) games at the Division 1 level, that player must continue to play at the Division 1 level for the balance of the season; and
 - (b) where a team competing in the higher ranked Division has a bye, no more than two (2) players who ordinarily play in that higher ranked team may play in the lower ranked Division that weekend.
- 7.7.9 Clubs may apply in writing to the GBL Chair for an exemption from Rule **7.7.8** outlining the extenuating circumstances. Any such exemption must be obtained by the GBL Committee prior to the player taking the field to play in the other team.
- 7.7.10 A player in the starting line-up who has been substituted may re-enter the game once, in any position in the batting order, provided the player they substitute has:
- (a) completed at least one at-bat; and
 - (b) played defensively for at least six (6) consecutive outs.

RECOMMENDATION

Any player (excluding Substitute Players) not in the starting defensive line-up ought to be entered into the game at the half-way mark of the time allowed for that game unless players require substitution because of injury, ejection or needing to leave the game site early.

7.8 BATTING RULES

Designated hitter

- 7.8.1 Teams in the following Divisions may use a designated hitter:
- (a) Big League; and
 - (b) Senior League, but only if that team has more than twelve (12) players available and the team is also using a continuous batting order for twelve (12) players.

Continuous batting order

- 7.8.2 Teams in Divisions of Little League and Junior League which have more than nine (9) players present at any game must use a continuous batting order whereby all players (up to twelve (12) players) must

JUNIOR COMPETITION

bat. Where players arrive to the game late, they must be added to the batting order immediately (unless there are already twelve (12) players present). This Rule does not apply to Substitute Players, however a Substitute Player may be included in a team's continuous batting order at the discretion of that team's coach.

- 7.8.3 Teams in Divisions of Senior League and Big League which have more than nine (9) players present at any game may use a continuous batting order, at the discretion of each team's coach, whereby up to twelve (12) players may bat. If a coach elects to use a continuous batting order at the beginning of the game, it may only be reduced where a player is ejected, injured or needs to leave the game site before the end of the game and there are no other players available to replace them. When a continuous batting order is so reduced, the unused batting slot will be treated as if it no longer exists from the time of the batter's exit from the game.
- 7.8.4 The position of any additional batter in the scorebook will be designated as "EH" (*Extra Hitter*) and may appear in any batting position. An Extra Hitter may be interchanged with a defensive position but, once interchanged, that player cannot return to the Extra Hitter position in the same game.

Replacing a batter

- 7.8.5 In Junior Competition, a batter cannot be substituted during their at-bat, except in the case of an injury to the batter.

Throwing the bat

- 7.8.6 Batters are prohibited from throwing the bat. Offenders and their coaches are to be cautioned on the first offence. A second offence by the same batter shall result in the batter being called out and all other runners returned to the bases that they last legally occupied.

Little League Division 2

- 7.8.7 For all Little League Division 2 (or lower) games:

- (c) there is no "dropped third strike rule"; and
- (d) where a pitcher throws four (4) "balls" on a single batter, the batter shall be pitched to by the team coach as per the following:
 - (i) Coaches are to position themselves in front of the pitching plate and pitch from a kneeling position. Pitching from a knee allows the players to clearly see the ball as it is released from the coach's hand, and improves their ability to track the ball as it reaches the hitting zone.
 - (ii) If the batter misses three strikes then they are out.
 - (iii) Alternatively coaches can side (soft) toss to the batter.
 - (iv) If the batter misses three strikes then they are out.

7.9 COURTESY RUNNER

- 7.9.1 Courtesy runners are not permitted in Junior Competition.

7.10 UMPIRES

- 7.10.1 The Home Team shall provide the plate umpire and the Away Team shall provide the base umpire in all Junior Competition games with a minimum QBUA "Community Level" accreditation.
- 7.10.2 Umpires under the age of eighteen (18) may only umpire Junior Competition games:
 - (a) corresponding to the age group in which they are eligible to participate as a player, or below that age group; or
 - (b) otherwise, with the prior written approval of the QBUA Committee,and, where they are the home plate umpire, provided they wear at least a mask (with dangling throat protector), chest protector, leggings and protective cup.
- 7.10.3 No member of either coaching staff is permitted to umpire unless agreed by both teams.

JUNIOR COMPETITION

7.11 DEFENSIVE VISITS

7.11.1 A coach may visit the same pitcher no more than:

- (a) three (3) times in one (1) game; and
- (b) twice in one (1) inning.

Where a coach attempts to make a further visit, the player must be removed from the position of pitcher for the remainder of the game, but the player may otherwise remain in the game.

7.12 ELIGIBILITY FOR FINALS

7.12.1 Subject to the remainder of this Section, players are eligible for participation in a particular team for Finals Series where they have:

- (a) for Little League, Junior League and Senior League, participated in at least five (5) of the Regular Season games played by that team; and
- (b) for Big League, participated in at least 33% of Regular Season games played by that team.

7.12.2 Where two (2) or more teams compete in the same Division and age group of the Junior Competition from the same Club:

- (a) players who have participated in both teams shall only be eligible for Finals Series for:
 - (i) the team in which they have played the majority of their Regular Season games; or
 - (ii) the team in which they first participated at the beginning of the Summer Season, if the player's Regular Season participation is the same for both teams; and
- (b) Clubs may apply in writing to the GBL Chair for an exemption from (a) above if an exemption under Rule 7.7.9 has already been granted (any such exemption must be obtained prior to the player taking the field to play in a Finals Series game).

7.12.3 Teams may use the following players in Finals Series games if they are unable to field nine (9) eligible players:

- (a) players from the age group immediately below (with a "Casual Playing Up Consent", see Appendix A); and/or
- (b) players in the same age group who played the majority of their Regular Season games in a lower ranked Division.

7.12.4 Players participating pursuant to Rule 7.12.3 may not be played ahead of a player that is eligible under Rule 7.12.1 and who remains on the bench, except in the case of injury or ejection. They may not participate as a designated hitter or take part in the continuous batting order.

7.13 PITCHING AND CATCHING RESTRICTIONS

7.13.1 For players substituted from pitcher to another position:

- (a) in Little League, the player may not return as pitcher for the remainder of the game; and

7.13.2 For pitchers playing multiple games in one (1) day:

- (a) in Little League, a player cannot pitch more than one (1) game a day; and
- (b) in Junior League, Senior League and Big League, a player may pitch in up to two (2) games in a day (but must adhere to mandatory rest periods).

Pitches in a day	Mandatory rest period requirements
66 or more	Four (4) calendar days
51 – 65	Three (3) calendar days
36 – 50	Two (2) calendar days

46 – 60	Two (2) calendar days
31 – 45	One (1) calendar day
1 – 30 on consecutive days	One (1) calendar day
1 – 30	No rest required

7.13.7 If a pitcher reaches their daily pitching limit or the mandatory rest period threshold for their league age while facing a batter, the pitcher may continue to pitch (without penalty) until any one of the following occurs:

- (a) that batter reaches base;
- (b) that batter is put out; or
- (c) the third out is made to complete the half-inning.

JUNIOR COMPETITION

- 7.13.8 A pitcher who delivers forty-one (41) or more pitches in a game cannot play the position of catcher for the remainder of that day.
- 7.13.9 A catcher who plays the position of catcher in four (4) or more innings is ineligible to pitch for the remainder of that day. Catching to a single pitch in an inning constitutes an inning caught.
- 7.13.10 In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for the day the game has been rescheduled, provided the said pitcher has observed any mandatory rest periods applicable on the day of the rescheduled game.
- 7.13.11 There are no balks in Little League.

RECOMMENDATION

It is strongly recommended that pitchers in the Junior Competition throw at least 75% fastballs throughout the season and that pitchers not pitch in excess of $\frac{1}{3}$ of their game maximum in any single inning.

7.14 BASE RUNNING

- 7.14.1 Runners who do not slide or attempt to get around a fielder who has the ball and is waiting to make the tag shall be called out.

Note: *There is no "must slide" rule, nor any "imminent play" rule in Junior Competition – see Green Book Rule 7.08. At home plate, the runner should be encouraged to slide feet first.*

- 7.14.2 In Little League, the following rules apply:
- (a) players who slide head first while advancing shall be called out; and
 - (b) runners may not leave their bases until the pitch has been delivered and has reached the batter. Violation by one base runner shall affect all other base runners as follows:
 - (i) if any of the runners are put out, the out(s) will stand;
 - (ii) if the batter does not hit the ball and the runner advances, the runner must be returned to the base occupied before the pitch was made;
 - (iii) if the batter puts the ball into play or advances on a dropped third strike and all runners are safe, the runners must return to their nearest unoccupied base. On a forced play, each runner shall advance to the base beyond the one they previously occupied except if a runner occupied third base. That runner shall be removed without a run being scored or an out being charged.

RECOMMENDATION

Coaches must not encourage their players to take extra bases in a 'suicide' manner with the intention of enticing an overthrow. This is a breach of the Coaches' Code of Conduct and could result in the runner(s) involved being called out, the coach being ejected, or both.

RECOMMENDATION

If, in the umpire's opinion, a player or team official:

- (a) abuses an umpire;
- (b) displays dissent towards an umpire;
- (c) argues judgement decisions (e.g. balls/strikes, out/safe, fair/foul etc.); or
- (d) otherwise shows disrespect towards any of the umpires,

that individual should be ejected from the game. This is a recommendation only and umpires need to use their best judgement when dealing with game management and player behaviour issues. In all Junior Competition games, umpires are encouraged to first attempt to use team coaches to resolve behaviour issues prior to ejecting any player.

9.3. BEHAVIOUR TOWARDS SCORERS

9.3.1. Scorers should not be approached by any person without invitation other than a team official or umpire, from the start of game until the game card is completed. Scorers are official representatives entitled to the respect and dignity of their office and should report to the GBL Judiciary any incidents impacting the discharge of their official scorer duties.

9.3.2. Scorers have sole authority to make all judgment decisions concerning the scoring of GBL Competition games (e.g. whether a batter's advance to first base is the result of a hit or an error). Club officials and players are prohibited from communicating with the official scorer regarding any such decisions.

9.4. MELEE RULE

9.4.1. Players and coaches must not engage in a melee under any circumstances.

BEHAVIOUR MANAGEMENT

- 9.4.2. If a melee occurs in (or within the proximity of) any GBL Competition game, the umpire-in-chief must report that occurrence to the GBL Chair by 5pm the next business day after the game for referral to the GBL Committee.
- 9.4.3. If the GBL Committee finds that a team has been involved in a melee, then that team's Club:
- (a) on the first occasion, will be fined \$500;
 - (b) on any further occasion within the same Summer Season, will be fined \$500 and will forfeit the game in which that melee occurred (if applicable).
- 9.4.4. Players and coaches involved in a melee may still be reported for their individual action pursuant to the GBL Judiciary Procedures.

9.5. GBL JUDICIARY

- 9.5.1. The GBL Judiciary is established and administered by the GBL Committee to hear and determine disciplinary proceedings against any person under this Part.
- 9.5.2. The GBL Judiciary will abide by the *GBL Judiciary Procedures* set out in Appendix C.
- 9.5.3. The GBL Judiciary may refer matters at their discretion to the BQ Judiciary.
- 9.5.4. Decisions of the GBL Judiciary may be appealed to the BQ Appeals Tribunal in accordance with the *GBL Judiciary Procedures* and any applicable BQ Appeals Tribunal procedures.

9.6. JUDICIARY REFERENCES

- 9.6.1. Any person may report the conduct of another person they believe has breached Section 9.1 to the GBL Judiciary. A report must be in the form stipulated in the *GBL Judiciary Procedures* set out in Appendix C.

9.7. JUDICIARY SUSPENSIONS

- 9.7.1. Any player who plays in breach of a judiciary order is an illegal player for the purpose of these Competition Rules.

APPENDIX A – PONAG PERMISSION

1) INTRODUCTION

The GBL Competition Committee strongly recommends that wherever possible, junior players play in their natural age group. There is a great deal of evidence documenting the benefits of junior players playing and excelling in games for their natural age group.

2) BACKGROUND

PONAG – Playing Outside Natural Age Group - has been devised for two reasons

- Where a player does not have the physical skills to cope with games in their natural age group and thus requests to play at a lower age group for the course of the season.
- Where a player has skills which allow them to play and cope playing games at a higher age group and that player wishes to play at the higher age group for a game when a higher age team requires additional player/s.

Where players wish to play outside of their natural age group, it is important to ensure that the player is not overwhelmed by the higher or lower age group playing standard or the player's skills represent an unfair advantage when they play in the higher or lower age group.

- The GBL Competition Committee has decided that PONAG will only be granted to players as follows:-
 - Playing up – must be in the natural age group of the age group immediately below that which they wish to PONAG up to.
 - Playing Up - permitted for single games (maximum 5 games including Finals games) or for the full season.
 - A player playing up for the full season is excluded from playing in their natural age group for that season.
 - A breach of this rule results in an illegal player and loss of game.
 - Playing Down – must be in the first year of their natural age group. Players playing in the second year of their natural age group are not permitted to play down under any circumstances.
 - Playing Down – permitted only for the season, not available for single games.
 - A player playing down is excluded from playing in their natural age group for that season.
 - A breach of this rule results in an illegal player and loss of game.
