## WELCOME FROM THE CEO OF BASEBALL QUEENSLAND

It gives me great pleasure to welcome spectators, supporters, coaches, officials and some of Queensland's best prospective ballplayers, to the 2022 Showcase at Redlands Rays Baseball Club. For many of the competing athletes, preparation for this event started months ago with the various off season development programs offered by Baseball Queensland. The Showcase event is an opportunity to demonstrate the tools those athletes have developed through hard work and dedication to their craft over the off season.

Events such as this cannot proceed without the contributions of Coaches and Officials. I would like to express the gratitude of Baseball Queensland to all those who contribute to the success of Baseball Queensland events. Firstly for undertaking the requisite accreditation and training courses, then for going further and providing your time and energy in support of these programs and athletes. Many thanks also to Redlands Rays Baseball Club for presenting a great facility for these athletes to showcase their abilities.

On behalf of the Board of Management and staff at Baseball Queensland, I hope you enjoy the 2022 Showcase immensely.

Kind Regards,

**GARETH JONES**

## **WELCOME FROM THE PRESIDENT OF REDLANDS RAYS BASEBALL CLUB**

Our club and its members would like to sincerely welcome all of the participants, supporters, and spectators to the upcoming U16 & U18 Showcase Program. The Redlands Baseball Club has a decades-long history of providing a place where baseball is celebrated and a sense of supportive community is fostered and we welcome you in this spirit. We acknowledge that we play this great game on the Quandamooka first nations lands and we pay our respects to their elders past, present, and emerging and we extend this acknowledgment to the players and supporters of all first nations peoples.

We extend our thanks to the many officials, volunteers, and families that will be coming together to make this an exciting five days of baseball. And most importantly we look forward to supporting the players in this great game!

We wish you an enjoyable, safe, and inclusive carnival filled with baseball highlights.

Yours Sincerely

**LUKE TRANTER**

## IMPORTANT INFORMATION

Baseball across Australia recently adopted a range of rules and practices to speed up the game. The concept behind this policy is to potentially provide participants with more participation opportunities that will result in more At Bats and more innings being played in the same time frame. A key part of this process identifies a need to encourage all Umpires to expand the strike zone. It is in this regard that we ask that you consider the Umpire's role in effecting this change and we ask that you support our officials in their efforts to improve the game.

Six pitch locations, all out of the strike zone. Six consecutive home runs for Miguel Cabrera. Sure he's exceptional. At this time the zone within which he could consistently drive the ball, was bigger than the strike zone.

Encourage hitters to be aggressive so they can explore their potential to develop into a better hitter in the long run.

## IMPORTANT INFORMATION

Encouraging hitters to be aggressive on any pitch they think they can hit hard can give the hitter a foundation to refine themselves into a better hitter later in life. They either get better at driving balls pitched in a wider variety of locations or at the very least they figure out their strengths and weaknesses through trial and error. If the hitters are aggressive at the plate, they put the ball in play earlier in their at bat and more often. This makes the game move along and makes for a better spectacle for all. In addition, the defense get more opportunities to attempt to make plays.
