**8** Click the "DefensiveOuts(F)" field and enter the number of defensive outs for each player for when they were in the field.
For run-limitation-shortened innings (4 across, side away), each player on the field gets **3 defensive outs**.
Players subbed out with another player while on the field, only get **the number of defensive outs while they were on the field** *e.g. a player subbed out when there is 1 out, will only get 1 out and the player entering the field should get the remaining 2 (subject to further fielding changes).*
