Matt is the Pine Rivers Rapids right hand man when it comes to keeping the grounds in amazing condition. He volunteers long hours to set the field up and keep it in perfect condition. Especially this wet season.
He steps in when a volunteer is needed in the canteen or bar, he has been a saviour many times so we could have our facilities open for home games.
Matt's involvement in the women's division 2 team is crucial. He is there every training session and game to assist the coach. He is their confident advisor and supporter. Constantly listening, advising and teaching.
Matt has been a huge support and helpful advisor to all new volunteers. Always there to guide volunteers on how the club runs.
You can always find Matt around the club house smiling and making everyone feel welcome. He attends games from juniors to seniors, takes the time to get to know players and coaches and always cheering them on.
Personally being my first time in a committee and second season at baseball, Matt has always been helpful and supportive to me in my role. He has helped me organise our two biggest fund-raising events.
