

Criteria for Distinguished Service Awards Nomination

Mission

To recognise and acknowledge the truly outstanding service of a person who has reached milestones in long and distinguished service to Queensland Baseball at the non-elite level.

Guiding Principles:

Individuals can be awarded in more than one of the below categories but must achieve the milestones each category (ie: 10 years as an administrator plus 10 years as a scorer does not qualify for an award in either category).

Generally, it is to be left up to the club or local region to recognise the service of individuals as they see fit. Baseball Queensland Distinguished Service awards are intended to acknowledge truly outstanding service.

The Heritage Panel would vet all nominations and require evidence of the games participated in. Once vetted the Panel would then present award recipients to the Board for final approval.
