We would like to thank all volunteers, officials and supporters. With out you, these events would not be able to happen.

We would like to also thank our Sponsor Pet Mince Direct, for the continued support throughout this season.

To all the baseballers, we hope this is a memorable, competitive and most of all enjoyable. Enjoy this weekend, as these championships are memories you can talk about for years to come.

SHARON FIELDS

President

Ipswich Musketeers Baseball Club

Welcome to Ipswich, one of the most liveable and fastest growing cities in South East Queensland.

More than 270,000 residents call Ipswich home and we are expecting to more than double in population in the next twenty years. We are both a proud heritage city, yet we are a young, vibrant and growing.

Ipswich has a rich sporting history too as the hometown to tennis world champion Ash Barty, rugby league greats Alfie Langer and the Walters brothers, and Olympic gold medallist and swimming star Mollie O'Callaghan. The first Australian to play major league baseball was also born right here in Ipswich. Born in 1862, Joe Quinn and his parents moved to the United States when he was 10 where he found a love of baseball before hitting the big leagues with the St Louis Maroons.

There's plenty to see and do in Ipswich for people of all ages. From our newly redeveloped Nicholas Street Precinct, home to the Hotel Commonwealth, General Public and Hoyts Cinemas, to Queen's Park, one of the oldest and most iconic parks in Queensland.

On behalf of Ipswich City Council, I welcome you to our city. I wish you success in your tournament and hope you take some time to enjoy your stay in the City of Ipswich.

BATTING CAGES

IMPORTANT INFORMATION

Baseball across Australia recently adopted a range of rules and practices to speed up the game. The concept behind this policy is to potentially provide participants with more participation opportunities that will result in more At Bats and more innings being played in the same time frame. A key part of this process identifies a need to encourage all Umpires to expand the strike zone. It is in this regard that we ask that you consider the Umpire's role in effecting this change and we ask that you support our officials in their efforts to improve the game.

Six pitch locations, all out of the strike zone. Six consecutive home runs for Miguel Cabrera. Sure he's exceptional. At this time the zone within which he could consistently drive the ball, was bigger than the strike zone.

Encourage hitters to be aggressive so they can explore their potential to develop into a better hitter in the long run.

IMPORTANT INFORMATION

Encouraging hitters to be aggressive on any pitch they think they can hit hard can give the hitter a foundation to refine themselves into a better hitter later in life. They either get better at driving balls pitched in a wider variety of locations or at the very least they figure out their strengths and weaknesses through trial and error. If the hitters are aggressive at the plate, they put the ball in play earlier in their at bat and more often. This makes the game move along and makes for a better spectacle for all. In addition, the defense get more opportunities to attempt to make plays.
