Welcome from the CEO of Baseball Queensland

Baseball Queensland would like to welcome all players, coaching staff, officials and supporters to the 2026 Queensland Masters State Titles at Surfers Paradise this April.

Over the course of four days at Surfers, teams will go head-to-head and battle it out to see who will win the State Championship across two divisions of play.

Many thanks also to the Coaches, Scorers, Umpires and Volunteers for their many hours working in support of this event. Thanks also to the members and volunteers of Surfers Paradise Baseball Club for hosting this event on their wonderful facilities.

It's great to see so many of you continue to enjoy playing our great game. We wish you all the best for an enjoyable and safe weekend.

GARETH JONES
CEO
Baseball Queensland

Welcome from the President of
Surfers Paradise Baseball Club

The Surfers Paradise Baseball Club extends a warm welcome to all competitors and supporters arriving on the Gold Coast for the 2026 Queensland Masters Baseball State Titles. Our club, along with its dedicated members, is truly honoured to host this prestigious event. We are committed to ensuring that every participant and visitor enjoys a tournament that is both memorable and rewarding.

The Queensland Masters presents a wonderful occasion to embrace both the competitive nature and the social camaraderie that baseball inspires. This event unites players and supporters from across South-East Qld, fostering sportsmanship and friendship in an inclusive and welcoming environment.

Following the series washout in 2025, our aim for this year's event is to provide all involved with an enjoyable and fulfilling experience. We hope that everyone will have the chance to reconnect with old friends and forge new relationships during the tournament.

The 2026 Masters features 15 teams, proudly showcasing a balanced mix of both male and female competitors.

On behalf of everyone at Surfers Paradise Baseball Club, I wish you the very best of sporting luck and hope you enjoy a truly memorable tournament.

Thanks for the opportunity to be part of your event.

TONY MCPHAIL
President
Surfers Paradise

IMPORTANT INFORMATION

Baseball across Australia recently adopted a range of rules and practices to speed up the game. The concept behind this policy is to potentially provide participants with more participation opportunities that will result in more At Bats and more innings being played in the same time frame. A key part of this process identifies a need to encourage all Umpires to expand the strike zone. It is in this regard that we ask that you consider the Umpire's role in effecting this change and we ask that you support our officials in their efforts to improve the game.

Six pitch locations, all out of the strike zone. Six consecutive home runs for Miguel Cabrera. Sure he's exceptional. At this time the zone within which he could consistently drive the ball, was bigger than the strike zone.

Encourage hitters to be aggressive so they can explore their potential to develop into a better hitter in the long run.

IMPORTANT INFORMATION

Encouraging hitters to be aggressive on any pitch they think they can hit hard can give the hitter a foundation to refine themselves into a better hitter later in life. They either get better at driving balls pitched in a wider variety of locations or at the very least they figure out their strengths and weaknesses through trial and error. If the hitters are aggressive at the plate, they put the ball in play earlier in their at bat and more often. This makes the game move along and makes for a better spectacle for all. In addition, the defense get more opportunities to attempt to make plays.
